

LSS Holiday Giving Program

Neighbors Helping Neighbors

This holiday season, Lutheran Social Service of Minnesota (LSS) invites you to join us in supporting our neighbors by taking part in our Holiday Giving Program.

The LSS Holiday Giving Program connects faith communities, civic groups, families and individuals with opportunities to bring extra joy and cheer to neighbors who are currently supported by LSS. By purchasing gifts or gift cards from the wish list of an individual or family, Holiday Giving Program sponsors make the season a little brighter for their neighbors.
